

Online Advising Guide (For Regular Students)

1. Login to your account using your username and password.

The screenshot shows a web application interface for login. On the left is a vertical sidebar with a menu containing 'Home', 'Login', and 'Admission'. The main content area has a blue background with a white box titled 'Student/Parent/New Student Login'. Inside this box are two input fields: 'Username' with the text 'dlshsistudent' and 'Password' with masked characters '*****'. Below the password field is a 'Login Now' button and a link that says 'New User? Click here to Register.'

2. Go to Enrollment > Online Advising.

The screenshot shows a user's personal dashboard. The left sidebar menu is expanded, showing 'Enrollment' selected, with 'Online Advising (2016 - FS)' as a sub-option. The main content area is titled 'MY PERSONAL PAGE' and contains a welcome message: 'Welcome Student's Name to your personal page!'. Below this is a paragraph of system notices: 'Please note that every activity is monitored closely. For any problem in the system, contact System Administrator for details. Click the links under MENU to select operation. It is recommended to logout by clicking the logout button everytime you leave your PC. If you do not agree with the conditions or you are not Student's ID please logout.'

3. Check all the information. If there is any wrong enrollment information, proceed to your college for advising, if non click on proceed.
