Greetings in St. La Salle!

Please be informed that the De La Salle Medical and Health Sciences Institute continues to abide by official directives from the Local Government Unit of the Province of Cavite regarding class suspensions.

In conjunction with this, per Governor JonVic Remulla, there shall be no classes for University Graduate (Master of Arts in Nursing and Doctor of Medicine) and Undergraduate students at DLSMHSI on March 16, 2020. Alternative tasks or requirements through on-line or other platforms shall be provided, details of which shall be given by the faculty members concerned.

However, the arrangement and schedule for Clinical Clerks (fourth year Medical students) shall be communicated to the faculty members, clinical chairs, parents, and students by **Dr. Madeleine Grace M. Sosa**, Dean of the College of Medicine.

Together and by association, let us pray for the safety of all DLSMHSI students, academic teaching faculty, academic service faculty, and non-teaching personnel.

Thank you very much.
