Bids and Awards Committee
SUPPLEMENTAL BID BULLETIN

Addendum No. 3

July 23, 2021

(BIDDING FOR THE SUPPLY AND DELIVERY OF ANTI-INFECTIVES BATCH 2)

The Technical Working Group (TWG) and Bids and Awards Committee for Medicines are announcing the following amendments to the bidding schedule and specific issues in the Terms of Reference for the information of all concerned:

1. Deadline of submission of bids is moved to 3PM July 30, 2021. All other scheduled bidding activities for the concerned project will be moved accordingly. We hope that this postponement of the deadline will give the bidders enough time to secure all requirements.
2. For parenteral antibiotics, either a sensitivity disc certification or a certificate of analysis with a two-year validity shall be required.
3. For tablets, a bioequivalent study with a two-year validity shall be required.
4. Those who have already submitted their bid documents may pull out their documents to make the necessary changes in their bids, in consideration of the previously issued bid bulletins.

Important Reminder:

- All inquiries that are addressed by the supplemental bid bulletins that were previously released, or by the Terms of Reference that are part of the Bid Documents, shall not be entertained further after the release of this bulletin.

PREPARED:

MS. CAROLYN T. UDTUHAN
BAC Secretariat

APPROVED:

MS. HAYDEE ABAYAN-SY
Chair, BAC for MEDICINES
Director, Institutional Communications Office
