Service Scholarship – will be given to DLSMHSI Officers of SHSSHS Student Council

We would also like to request the removal of **Financial Scholarship** Application Guidelines for SY 2021-2022 from the downloadable brochure in the DLSMHSI website. Due to the limited budget this coming school year, we will not be able to offer this type of scholarship to our students. However, if there is an excess fund available, the SHSSHS Scholarship Committee will conduct a stringent screening process to be able to identify qualified student/s who is/are in great need of financial assistance to pursue their education.

Thank you for your unwavering support to SHSSHS department.
